

Wed. Nov. 25th Duluth

Dear Nedie, Eves, + family: -

We had this short notice from Clara
last wk. ^{Mon. 16th} ~~last~~ telling us Jean was at
the Hoop. again. So we had made

up our mind to come to Dul. + be
a little help to them. He left Brook
Sun noon then + came to Vol.'s

place around 5:30. We went right to
the Hoop. to visit Jean. But am

glad to say, she came home yesterday
forenoon + feels good + looks fine.

altho she's under Dr's care quite
strickt, + must report to the office

in a wk. or two. The kidney operation
is still to undergo, maybe before

the baby will be born which is due
3rd. of July

Clay. was home from work now
more than a wk. but is going back
today P.M. from 3:30 P.M. to 2 A.M.

We were so undecided to come up
here, but our minds would not let
us rest. So that's out for us to come to
Puldas Tri. for graduation which
we had planned. But will write
to you again after we get home.

How how are you all? How's work with
you Eve.? I do hope & pray all is
going well with you. Did your martini
come back? So for this mov. want
bring this to a close. Greetings.

take good care of yourself's & all
God Bless You. All our Love Yours
